## CLUB SESSIONS PROVE SUCCESS

TWO MEETINGS ARE HELD BY LITERARY SECTION; BOTH PROGRAMS ENJOYED

### REPORT ON FINANCES

MRS. W. E. EVANS READS, IN CLEVER MANNER, GRACE RICHMOND'S STORY

Of unusual interest were the two December meetings of the literary section of the Tuesday Afternoon club.

At one of them Mrs. G. H. Rowe read a paper on Egypt, giving new facts and showing most careful preparation. Mrs. M. E. Hollingsworth evidenced great skill in handling a subject, difficult always, and sometimes dangerous; for to her fell the reviewing of "Darkwater," by Dubois. To enable her listeners to understand this story of the negro, she gave a splendid sketch of the life of Dubois, going back two generations. While the book could easily have aroused controversy on the ever present problem of race, her manner of handling the subject was such that each listener solved it according to her own interpretation. Current events by Mrs. Catherine Burnham and Mrs. J. C. Dunn closed a very enjoyable afternoon.

**Second December Program**

The second December program was in harmony with the Yuletide season, Van Dyke's "Travels in Palestine" being the topic for consideration. As studied, reviewed and presented by Mr. Edgar Leavitt, the book took on such an unusual charm, even for a Henry Van Dyke narrative, that new and wonderful pictures of the Holy Land were visioned by her hearers.

The applause which greeted the announcement that the program chairman, Mrs. W. E. Evans, had consented to read Grace Richmond's "Christmas Day in the Morning" proclaimed her popularity with the literary section. In her own inimitable manner she told this beautiful little story, moving her hearers to tears as well as to smiles.

The announcement that this section of the club had turned over to the ways and means committee $153.70, the proceeds of the booth over which the ladies of this section presided at the recent bazaar, was received with expressions of satisfaction by the members.

A social hour "over the teacups" closed the pleasant and profitable afternoon.

## LONG JOURNEY

ANSON PITCHER COMES ABOUT 2200 MILES TO VISIT WITH MOTHER HERE

Mrs. Sarah Pitcher, 724 South Maryland avenue, is happy to have with her for over the Christmas holidays her son, Anson Pitcher, and his "pal," Corporal Knight, both of whom are with the Sixth Aero Squadron, stationed at Pearl Harbor, Honolulu, a distance of 2,200 miles from here. These young men have secured a furlough of thirty days and will spend ten days in Glendale, it taking twenty days for the trip, coming and going, the way they have to travel.

While recently testing out a plane, something went wrong with the motor and it landed in the ocean, necessitating sending out a tug to rescue these youths.

Mrs. Pitcher recently purchased the attractive home where she is now entertaining her son and his friend.

## ACCUSED MAN TAKEN FROM JAIL, LYNCHED

(Special Service to Glendale Evening News)

FORT WORTH, Tex., Dec. 23.—Tom Vickery, a white man, held on a charge of murdering Policeman Jeff Couch Monday night, was taken from the county jail here before dawn today by a mob and hanged. After Vickery was suspended in mid-air the mob fired several shots into his body and disbursed. The lynching was staged about a mile from the court house, between Fort Worth and North Fort Worth. The jailer at the county jail was overpowered by about twenty-five masked men, who dragged Vickery from his cell. The hanging was so quietly conducted that the majority of the sleeping city was unaware of what was going on.

Funeral services were held at 2 o'clock this afternoon at the Holy Family church and a fitting tribute was paid to Mr. Grierson's memory by relatives and friends.

Mr. Grierson was formerly a prominent business man of Toronto, Canada. He was active in the commercial life of the Canadian city. About ten years ago his health began to fail and he came to California to regain it. He settled on a farm near Corcoran, in the San Joaquin valley.

Among its decorations were cornucopias, filled with candy, and little ginger bread men. Games were played and refreshments served.

Grading work, preparatory to laying sidewalks and paving on Maple avenue between Adams and Sycamore streets, began Monday and is progressing rapidly, Peter L. Ferry, general contractor to whom the job was let, said today.

Mr. Ferry has a large equipment for the work and has several gangs busy at present. The seven blocks of improvement will cost approximately $25,000, according to Mr. Ferry's estimates. and should be completed in about three months' time.

Laying of the cement sidewalk and curb will start next Monday, the cement laying gang following close on the heels of the graders in order that the work may be completed in record time. The roadway will be oil-paved and work will not be started on this until early in February, Mr. Ferry stated.

**Lawn and Garden Planned**

The Glendale contractor is also supervising the grading of the Broadway school lawn east of Adams street. When the grounds about the school are leveled a lawn will be planted and gardens put in.

Mr. Ferry announced today that the laying of cement sidewalks and a macadamized road on Delaware and Ellis avenues, between Colorado and East Broadway boulevards, Eagle Rock, which contract was also awarded to him, had just been completed. It was an $8,000 project.

## NEBRASKA FOLK SOUGHT IN CITY

SPECIAL WRITER IN GLENDALE FROM LINCOLN STAR TO PREPARE STORIES

### W. S. PERRIN'S GUEST

FRANK A. HARRISON IS HERE TO TELL OF DOINGS OF FORMER RESIDENTS

Given a roving commission, Frank A. Harrison, of the news staff of the Lincoln, Neb., Star, has just arrived in Glendale after an auto trip from Nebraska lasting forty-five days. Mrs. Harrison accompanied him.

Mr. Harrison has come to California to locate former Nebraska residents, to learn how they like southern California, what they may be doing and to gather other facts for a series of articles he is writing for The Star.

While in Glendale Mr. Harrison is the guest of W. S. Perrin, 304 North Orange street, president of the Glendale Savings bank, and himself a former Nebraska resident and old-time friend of Mr. and Mrs. Harrison.

Mr. Harrison will motor to San Diego to spend the holidays, having relatives there, then will return to Glendale to continue the series of articles he is writing for The Star.

**Many Nebraska People Here**

"I have found that there are at least forty families in Glendale that were formerly residents of Nebraska," said Mr. Harrison to The Evening News this morning. "That is not unusual. I think the same percentage will hold good all over southern California.

"While we were forty-five days on our motor trip here, that does not mean we had trouble with tires, car or roads. We were fixed to camp out and we did so, taking our time and enjoying the trip."

For more than twenty years Mr. Harrison has been traveling about the county doing special articles. He has been in San Francisco twice this year on stories, has invaded South America and other countries.

The very interesting collection of natural history objects and also the collection of curios of the late R. D. Goss have been given to the museum at Exposition park, Los Angeles, by his widow, Mrs. Annie B. Goss, 516 East Harvard street, as a memorial for her husband.

The collection has often been inspected by students of the Glendale High school for educational purposes.

An attempt was made to have the collection installed in Glendale, but no suitable quarters could be found, therefore it was taken to Exposition park, where it may be seen by Glendale people and others who may be interested.

This is Mr. Rowe's first visit to his home in two years. He was wounded in an accident while in the government service, and spent seven months in the Letterman hospital at the Presidio, San Francisco. He was discharged from the hospital a few months ago, and since last October has been taking vocational training under the Federal board in San Francisco. He was granted leave to spend Christmas at home.

## GOVERNMENT TROOPS NOW MAKE DEFENSE

(Special Service to Glendale Evening News)

ROME, Dec. 23.—Rifle fire spat from the crags and promontories guarding the eastern shore of the Adriatic today. Several strifes between the legionaires of Fiume and the regular Italian army have begun. While government troops previously yielded quietly to De Annunzio's troops; they braced today, employing machine guns and rifles to show they will not give further ground.

## GOVERNMENT TO BE IN NEED OF REVENUE

(Special Service to Glendale Evening News)

WASHINGTON, Dec. 23.—The government will be hard put to find enough revenue in the next few years to keep its activities running and meet maturing obligations, Secretary of the Treasury Houston told the senate finance committee today. "If new tax burdens are assumed, the situation will become doubly serious," he said.

## STEAMSHIP REPORTED AS BEING STRANDED

(Special Service to Glendale Evening News)

SEATTLE, Wash., Dec. 23.—News that the steamship Dora, known as "the bulldog of the Pacific," is stranded on the east shore of Vancouver Island after striking a rock, was brought here today by the steamship Admiral Rodman, which arrived carrying ten members of the Dora's crew.

## SETTLES HERE

ED HOLMES, FORMER RESIDENT OF NORTH DAKOTA, IS NOW GLENDALE RESIDENT

After a long residence in Larimore, North Dakota, Ed Holmes, accompanied by his wife and their son, arrived in southern California recently and, after a visit to Glendale, decided to become a permanent resident of this city.

Mr. Holmes and family are making their home at 350 Hawthorne. Mr. Holmes, by occupation, is a painter and decorator. He was in that business for himself in Larimore and, since coming to Glendale, is working in the same line.

"I am particularly impressed with Glendale," said Mr. Holmes today. "It is a fine city, clean, modern and progressive. The census figures indicate the city's remarkable growth; it has just begun to grow, in my opinion. I am glad to be a resident of Glendale."

## NORTHERN GUEST

O. B. BARNETT OF GLENDALE TO ENTERTAIN BROTHER DURING HOLIDAYS

Ray V. Barnett of Sausalito, Calif., is expected to arrive in Glendale on Friday to be the house guest of his brother, O. B. Barnett, 334 West Broadway.

Mrs. Joseph Butts, a niece of Mrs. Barnett, was her house guest recently, prior to her departure to the interior of Mexico, where her husband has important mining interests.

## WORK UNDER WAY

IMPROVEMENTS AT GLENDALE HIGH SCHOOL DIRECTED BY CHAS. W. KENT & SON

Work is now under way on the grounds of the Glendale Union High school on the several improvements made necessary by the rapid growth of the city and the increased enrollment at the school.

Foundations for the six bungalow class rooms are being completed and work on the bungalows themselves will start immediately.

In addition to the bungalows, a locker building, an addition to the boys' gymnasium and a new gymnasium for the girls will be constructed.

All the work is being done under the direction of Charles W. Kent & Son of this city and the total amount of the permit is $43,000.

**IN BED TWENTY-THREE YEARS**

ELIZABETH, N. J. — William Jones, in his one hundred and first year, died here in the Alexian Brothers' hospital, having been bedridden for twenty-three years.

He was born in England June 21, 1820, and came to America with his parents in 1824. In 1845 he enlisted for the war with Mexico. He enlisted again at the outbreak of the Civil War and was wounded.

## FROM KANSAS

TWO COUPLES ARRIVE BY CAR VIA SOUTHERN ROUTE TO AVOID SNOWSTORMS

Mr. and Mrs. J. C. McNaught and Mr. and Mrs. F. J. Oyler arrived Monday from Iola, Kansas, in the latter couple's auto. They left Iola on Friday, December 3, and came by way of El Paso and Tucson, for fear of being blocked by snow if they chose Old Trails highway.

Though they found some very rough roads they made the trip without any accident, but say the information given them at auto club stations along the route as to road conditions was woefully astray in many cases.

Mr. and Mrs. Oyler drove on to Turlock Tuesday to visit relatives for a time and may return to Glendale later.

Mr. and Mrs. McNaught are charmed with Glendale and have rented rooms for a month so they can look around with a view to buying a home or building one.

Mr. McNaught is an expert auto mechanic and left a flourishing business in Iola. He says conditions are about the same in Kansas as here, with no great unemployment to be noted, and rents are very high there, too.

## PARTY BY CLUB

LUCKY 13 MEMBERS GATHER IN HOME OF MRS. L. M. WEST FOR HOLIDAY AFFAIR

One of the pretty Christmas parties given this week was that of the "Lucky 13" club, which was held at the home of Mrs. L. M. West, 107 Arden avenue. This club was formed when the members were students at Glendale High school. Every year at Christmas time they join in giving a party. The home of Mrs. West was very lovely with pepper boughs, holly branches and a tiny Christmas tree. The dining table was quite unique with its centerpiece of a little log cabin with banks of snow around it. The favors were tiny paper houses filled with candies.

An exchange of gifts is customary with this circle of young people, but this time they had to hunt for them, which furnished a great deal of fun. Mrs. Candee, whose daughter Lois, who died in April, 1918, was a member of the club, sent a box full of little presents to each of the girls. A delightful dinner was served at the close of the evening when the men folks arrived.

The girls present were: Mrs. Noble Ripley, Misses Helen Capers, Mae Church, Vera McPherson, Dorinda Havfland, Alice Grey Beach, Mrs. J. A. McKelvey and Mrs. L. M. West.

**COAL 9 CENTS PER POUND**

VIENNA—Coal was sold here at the equivalent of 9 cents a pound, a price higher than that of the black-rationed bread, the other day when the temperature dropped below freezing. Cartloads of the brown lignite of a very low heat value were drawn up to the curbs of the popular streets and the fuel was sold by the pound, the vendors being equipped with small scales.

## OVER 40 YOUNG MEN ACCEPTED

FINE SHOWING MADE RESULT OF CALL ISSUED BEHALF OF NATIONAL GUARD

### LIST IS GIVEN OUT

NAMES OF SOME OF THOSE IN COMPANY; OTHERS TO BE EXAMINED SOON

More than forty young men of Glendale have been examined and accepted as members of the Infantry company of the National Guard of California in the short time since Captain Thomas D. Watson has opened a recruiting office here. This is fully two-thirds of the minimum required to make up the company, which is a good showing for the short time the recruiting office has been open.

Most of the young men enrolled are high school students. A partial list of the enrollment follows:

Lloyd White, Francis Bacon, B. O. Rockhold, Gordon Kingsley, Roy Weetman, Howard Reynolds, Salvador Felix, H. L. Alexander, K. A. Jackson, D. Anthony, H. Butler, Joe Rhodes, Warren Vinach, Floyd Herman, Burney Chandler, Burt Aageson, Charles Brice, Alford K. Bowman, Paul Holland, Walter McMahus, Robert Stone, Francis E. Dryer, Frank L. McGillis, Joseph H. Billingsley, James K. Hill, William Strong, F. W. Harper, George A. Grist, R. E. Jodon, Victor Francy.

## SECURE TRACE

GET TRACK OF ONE OF THOSE BELIEVED RESPONSIBLE IN ATTACK ON J. W. KIMBLE

The soldier who slugged and robbed John W. Kimble, taxi driver, of $40 in cash, in a lonely spot in Sycamore canyon last Thursday night, has been identified and Glendale authorities are hot on his trail. The sailor who assisted in the assault has not been found.

An excellent description of the sailor was gained from Mr. Kimble which enabled officers of Fort MacArthur to state positively that the hunted man was Ed Davenport, a deserter, who had been out on leave and failed to return. His camp record showed that he had been away without leave twice before and had married into the Woodside family of Pomona, without government permission, for which offenses he was wanted on a general court martial charge.

Officers Brown and Blix of the Glendale force went to Pomona and later to La Verne where the La Verne police chief aided them in their search. From a former sweetheart of Davenport's the police officers learned that he had left for San Francisco in company with another woman. Nothing further has been heard of him.

Mr. Kimble's automobile, in which the bandits made their escape, was found by Glendale police in the sands along the river at Tropico on Friday night where it had evidently been abandoned by the fleeing men. It was returned to Mr. Kimble.

## BROTHER HERE

MRS. A. J. ESTERLY HOSTESS TO BROTHER, WHO WILL REMAIN FOR WINTER

To Mrs. A. J. Esterly, of 336 Salem street, the Christmas holidays this year are unusually merry; for her brother, George H. Mensteil, whom she had not seen for more than three years, arrived in Glendale yesterday morning from his home in Jamestown, Pennsylvania, to spend the winter here.

During the three years and more which have elapsed since their last meeting, Mr. Menstiel has been in the government service in France and this and other happenings of the years of their separation will give the brother and sister many interesting things to talk about.

Mrs. Esterly expected to have her sister, also, as a Christmas guest in her home, but she was unable to come just now and will be out here from the East later in the winter.

A Christmas dinner to fourteen guests is one of the celebrations Mrs. Esterly has arranged in honor of her brother's visit.

**LAST THOUGHT OF HUSBAND**

NEW YORK—On her deathbed in the Homeopathic hospital, Newark, Mrs. Ida M. Ford, wife of Capt. James W. Ford of the Oriental Steamship company's Chester Valley, made a last request that her husband be not notified of her death until his ship, now in Constantinople, returns to New York harbor. "He would be nervous and not be a good captain," is the reason she gave for her request.

Captain Ford was a lieutenant aboard the army transport Leviathan during the war and later became captain of the transport America. He is due soon and will then learn of his wife's death.

# The World Today

By F. H. VESPER
Assistant Vice President, Glendale Branches, Los Angeles Trust and Savings Bank

F.H.Vesper

When the idea of establishing branch banks was first suggested and indeed after the suggestion was put into practice there was considerable objection raised to the policy. Experience has proven, however, that the move was a wise one. Branch banking means maximum service. It carries the bank to the people.

The individual as well as the manufacturer and the merchant in the growing community outside of the business section of the city, or in surrounding towns, doing business with a branch bank have the same facilities and the same security as the depositors next door to the main bank.

Branch bank officers have personal acquaintance with their customers and a thorough knowledge of their respective communities which officers at the main bank cannot in as great a measure acquire. It will be readily acknowledged that a close personal contact with patrons is a potent factor in a bank's success.

* * * *

Banks with branch offices are so general nowadays that it seems strange there should have been criticism when the custom was new. Students of finance know that for many years the best banking systems of the world have recognized the economic value of the method. England had for more than a century banks with branches throughout not only England, but her dominions. Canadian, French, Belgian, Russian and German banking systems were organized along the same lines. The United States stood alone. Its people, characterized by individualism, had through custom grown to regard a bank as a single unit.

After the financial panics of 1893 and 1907 the idea of having some central authority through which financial institutions could co-operate when financial storms made such co-operation necessary became more pronounced. This finally resulted in the passage by Congress of the Federal Reserve Act, which has operated to make money panics almost impossible, and which recognizes the importance of branch banks through providing ways by which its member banks may acquire such branch offices.

* * * *

**The officers and directors of the Los Angeles Trust and Savings Bank have for some time realized the importance of conducting conveniently located branch banks in Los Angeles and vicinity. The opening of the Brand Boulevard Branch and the Glendale Avenue Branch of the Los Angeles Trust and Savings Bank in Glendale was but another step in continuation of this policy. These branch banks bring to Glendale a metropolitan banking service.**

### DOG TRIED; ACQUITTED

HIGHGATE, England — Terrier dog that insisted on attending local school was put on trial in police court on charge of ferocity. Alleged that when school child teased it, the animal bit its tormentor. In court dog was teased, but merely showed playfulness. Local Solomon, therefore, solemnly acquitted it.

## BABY IS DEAD

INFANT SON OF POLICEMAN CARL BLIX PASSES AWAY; BURIAL HELD TODAY

The infant son of Police Officer and Mrs. Carl Blix, 203 East Elk avenue, died at the Glendale sanitarium last evening at 5:15 o'clock. The child was but three days old, having been born Sunday night. Burial took place this afternoon in Grand View cemetery.

News of the infant's death came as an unexpected blow to the parents and relatives for, although he had been delicate since birth, reports from the sanitarium had been very favorable. Yesterday afternoon he had been baptized Thomas Rockwell Blix. A few hours later his short life came to an end.

Mrs. Blix was formerly Miss Edna Henning. Little Thomas was an only child and grandchild. In addition to the parents he is survived by the grandparents, Mr. and Mrs. H. Henning and Mrs. Anna Ferguson, 439 West Hawthorne, also two uncles, Herbert Henning and George Blix.

## EXPECTED HERE

MR. AND MRS. C. O. PULLIAM TO ENTERTAIN FRIENDS WHO COME FROM EAST

J. B. Markey of Morrison, Ill., president of the Morrison Refrigerator company and the Illinois Stove Works, his wife, daughter and son-in-law are expected to arrive in Glendale December 31, on their way to San Diego to spend a few days visiting Mr. and Mrs. C. O. Pulliam, 114 Arden avenue. The Markeys' automobile, shipped in advance, arrived here last week.

Mr. Markey also spent last winter in San Diego and while in the west he organized a company and purchased 100 acres of fig gardens five miles out of Fresno. The young fig plants are being set out this winter and will begin producing in about five years.

The company is a closed corporation, of which Mr. Markey is president, his brother, Louis K. Markey, of San Francisco, vice-president; Frank R. Brisley, secretary, and C. O. Pulliam, of the Pulliam & Kiefer Undertaking company, treasurer.

## PARTY GUESTS

MARJORIE YARICK AND NUMBER OF FRIENDS ENJOY AFFAIR OF HOLIDAY SEASON

A happy group of girls celebrated the Christmas season Wednesday afternoon with a party, all being the guests of Marjorie Yarick, at her home, 347 West Wilson avenue.

Each brought her sewing and many stitches were taken to help old Santa make his rounds on time, so with laughter and chatter and music the hours passed very happily.

The girls invited were Evelyn Gregg, Virginia Huntley, Betty Fell, Eleanor Sawyer, Mildred Stanford, Kathleen Campbell, Dorothy Peart, Louise Hollenbeck, Dorothy Chobe, Elizabeth Stenberg, Evelyn Apple, Sylvia Jackman, Doris Packer, Dorothy Carmack, Gladys Peckham and Gladys White. A special guest was Deon Wright, of Los Angeles, who is spending several days with the hostess.

## CLUB HONORED

HIGH SCHOOL GLEE CLUB IS ON PROGRAM GIVEN FOR TEACHERS' INSTITUTE

All Glendale teachers at the Los Angeles County Teachers' Institute were proud, indeed, yesterday, when the Girls' Glee club of Glendale High school stepped out on the stage at the Bible Institute.

The girls presented a very pleasing appearance in their simple, girlish uniforms. Under the capable direction of the high school music supervisor, Mrs. D. L. Gibson, the Glee Club sang the old favorite Christmas hymns, Adeste, Fideles, and the Bridal Chorus from Cowan's "The Rose Maiden," so acceptably that they were enthusiastically received by the large audience of 2500 or more.

Music was featured extensively in yesterday's programs at the institute and the Glendale girls were much interested in the vocal numbers presented by glee clubs and choruses from other schools in the county.

### DAMAGES POST, BREAKS GLOBE

Arthur E. Griffin, Lanore and Alhambra streets, Los Angeles, drove into a light post at the corner of Broadway and Jackson street, last night, damaging the post and breaking a large light globe valued at about $10.

Mr. Griffin's automobile was also damaged but he continued on his way without notifying the police of the accident. Prints of his Diamond tread tires were plainly visible on the soft earth of the parking, however, and police made a round of the local garages until a damaged automobile with Diamond tread tires was found in the Club garage. Mr. Griffin was notified and agreed to pay for damages to the light post.

## AIDS OFFICERS

LOGAN FAIRCHILD, FORMERLY OF THIS CITY, ON SCENE FOLLOWING SHOOTING

Many of the Glendale friends of Mr. and Mrs. Logan Fairchild, who lived in this city for a number of years, have been making inquiries in regard to the tragedy which took place just several hundred feet from their home at Lincoln and Piedmont streets, Pasadena, Tuesday evening, the murder of Clarence Hogan by Mrs. Marie Leonard Bailey.

In an interview with an Evening News reporter, Mrs. Fairchild says that shortly after 9 o'clock Tuesday evening they heard a shot, followed by a woman screaming for help. Going out doors they saw a woman running down the road with a revolver in her hand. She handed this to Mr. Fairchild, saying that she had shot a man. Upon investigating, Mr. Fairchild found that this man, Hogan, was still breathing, so he immediately sent for a doctor and notified the police department. But, when the doctor arrived fifteen minutes later, the man was dead. Mr. Fairchild turned the gun over to the police, who took the woman, Mrs. Bailey, to jail.

## TREE IS HELD

PRIMARY DIVISION IS GIVEN ENJOYABLE PROGRAM FOR CHRISTMAS SEASON

Thirty-six members of the primary division of the First Congregational church, acompanied by their mothers, were entertained at a Christmas party held in the Sunday school room of the church.

There was a Christmas tree and each child received a gift given by the primary teachers. The program consisted of the regular Sunday school exercises, the children repeating memory verses and singing songs for the benefit of the many mothers present to show them what valuable training they were really receiving each Sunday.

Refreshments consisting of ice cream, frosted animal cookies and fruit were served.

The department of agriculture declares that exposure to weather frequently causes greater destruction to farm implements than actual use. It urges that all machinery and tools be stored before winter sets in.

The twelve-year-old Nebraska boy who burned the schoolhouse three successive times in an effort to keep from going to school seems to have had a real prejudice against being educated.

## AUTOS CRASH

LEFT REAR WHEEL IS TORN OFF F. C. EASLEY'S CAR RESULT OF ACCIDENT

The left rear wheel of the automobile driven by F. C. Easley of this city was completely torn off in an accident which occurred on San Fernando road late Tuesday. Mr. Easley was going south on San Fernando when he stopped to inquire about some pelts of some children by the roadside.

Mr. Easley stated that he saw no other cars coming along the road so he failed to put out his hand when he stopped. It was then that the other automobile, the driver of which gave his name as Bernando, struck the Easley car. Bernando was said to have been driving at a high rate of speed. No one was injured.

### WILL HURL BOMBS AT YEGGS

CHICAGO—Gas bombs will be used by the Chicago police in driving crooks into the open, if the plans of Chief of Police Charles Fitzmaurice materialize. Chief Fitzmaurice wrote Dr. John Dill Robertson, city health officer, asking him to devise some sort of gas bomb which could be thrown in houses where crooks were besieged by the police.

The contention that there are too many automobiles in this country will continue as long as there is any person without one.

The doctor who advises his patients to take plenty of exercise probably does not receive any favors from the street car company.

**FIND VALUED AT $500,000**

PARIS—The opening of a reliquaire in the ancient church in Saint Joss-sur-Mer, department of Pas de Calais, revealed an elaborate tapestry which is more than 1000 years old and which Eustauche III. of Boulogne brought back with him from a crusade to the Holy Land. The value of the tapestry is estimated at more than $500,000, and it is in perfect condition.

The tapestry has been presented to the French academy of Inscriptions by the Trocadero museum, which traced its origin. According to experts it bears the name of Wegtekin Cadi, who was put to death by his master in Khorassan in the year A. D. 961. Therefore, the tapestry is older than that found in the tomb of Charlemange, which is now carefully preserved at Aix-la-Chapelle.

The parcel post department in Omaha is to be completely motorized with a fleet of fifty trucks serving twenty zones. Department stores expect to take advantage of this service and deliver by parcel post.

## AID OF POOR

**APPEAL IS MADE THAT ALL WHO CAN GIVE HELP TO NEEDY AT CHRISTMAS**

A noteworthy feature of the Christmas programs in the churches this year is the emphasis on the fact that "it is more blessed to give than to receive."

At all the church programs, past and yet to come this week, the audiences have been asked to bring something, provisions or clothing or money, to be used for those of their brethren who are less fortunate in a worldly way than themselves. At most of the churches, a portion, at least, of this offering is given to the Social Welfare League, to be given by them to destitute families, while some of it is being used for charity work of various church organizations themselves.

The First Methodist church has appealed to every one attending their program to bring something, much or little. They will give one-third to the Social Welfare League, one-third will be sent to bring comfort and cheer to the orphans in the David and Margaret Home in La Verne, and the remaining third will go to the work of the Church of All Nations in Los Angeles, where the poor of at least forty different nationalities are ministered unto and where thousands during the year get their first glimmering of understanding of what Americanism means.

At the First Congregational Sunday school each class is pledged to bring gifts to be distributed by the Social Welfare League among the poor of Glendale, in honor of the birthday of Him who loved the poor, and had compassion on them.

"I believe that I can sell automobiles, especially the Chevrolet, as well as anyone," said Dr. Tarr, with a smile. "Anyway, I am assisting my husband while Mr. and Mrs. Fish are away."

## CATHOLIC CHURCH

**IMPRESSIVE SERVICE TO BE HELD CHRISTMAS; NOTED SINGERS TO APPEAR**

Rich and impressive as the Catholic church music always is, the Christmas music at the Church of the Holy Family, where Leonard's Mass in B flat will be sung at the High Mass at half past ten on Christmas morning, gives promise of being a real musical treat, for all of the soloists are accomplished musicians, and most of them are professionals.

The choir is composed of Mrs. Girard, Mrs. Frank Patch, Miss Viola Yorba, sopranos; Mrs. George Duffet and Miss Dorothy Vogel, altos; Messrs. Girard, Godard and Adam Faugmann, tenors; Messrs. J. C. Albright, Marcellus Doll and Frank Salmacia, bassos.

**Grand Opera Experience**

Mr. and Mrs. Girard are professional singers with grand opera and concert experience; Miss Viola Yorba is a prominent young singer of Glendale who has done professional work and is at present a pupil at the Los Angeles studio of Miss Mills, a New York vocal teacher; Mr. Albright is a professional singer, at present engaged by one of the talking machine record companies.

Preceding the High Mass on Sunday Mr. Girard will sing "O Holy Night," and the prelude to the Mass, the "Asperges Me," is a bass solo arranged for Mr. Albright.

There will be a short Christmas sermon by the pastor, Reverend Father James S. O'Neill, who will be the celebrant of the Mass.

At the half past seven Mass the children will sing the Adeste, Fideles and other Christmas hymns.

## FOR CHILDREN

**CHRISTMAS PARTY IS GIVEN TO SEVENTY-FIVE LITTLE ONES BY CHURCH**

The Sunday school room of the Presbyterian church was yesterday afternoon the scene of a most successful Christmas party. There were seventy-five little folks present and twenty mothers.

The first part of the afternoon was spent playing games. The Christmas tree was then lighted and the Rev. Walter E. Edmonds, pastor of the church, gave a talk to the children on the spirit of the Christmas tree. Miss Mary McDill, one of the primary teachers, told the Christmas story, after which bags of candy were given out.

## The National Haulage Unit

Oldsmobile Economy Trucks work for big business—for Standard Oil, Delco, Park & Tilford and other institutions of national prominence, who order and re-order according to the vehicle's *performance*. Their selection of Oldsmobile is significant.

Small business, but equally critical, also favors Oldsmobile. All over the country the Economy Truck is proving its unlimited usefulness on farm and ranch, in city and village, and wherever merchandise must be quickly transported at low costs.

Valve-in-head motor, internal gear axle, large pneumatic cord tires, and mechanical excellence generally are reasons why successful performance is pre-determined, and why it was logically destined to become the National Haulage Unit.

**TRAVELING LIBRARIES.**

"Traveling libraries," an experiment tried by the Saskatchewan government, has met with such spontaneous success that an additional appropriation of $10,000 has just been made further to extend the project. Today there are more than 300 of these libraries between the international border and the northwest territories. The libraries have had a special appeal to trappers of the Hudson's Bay company. Officials of this company say that the trappers, about whom volumes of thrilling tales have been written, do not care particularly for stories of adventure. They turn to fiction of city life, of society if possible. Each traveling library consists of fifty books, which are shipped in a strong box to a group of residents, who act as distributors in their respective districts.

While results are somewhat imperfectly known, indications are that the 1920 cereal crop of the world will be six per cent greater than that of 1919.

The new cotton crop for Egypt has been estimated at 612,000,000 pounds.

**TITLE PASSED WITH HIM**

The last holder of the judicial title of baron in Great Britain passed with the recent death in Dublin of Christopher Palles, who was baron of the exchequer in Ireland. The title of baron was abolished when the court of exchequer was merged with the Queen's bench, and Lord Chief Baron Palles was the last bearer of it.

He was the solicitor general for Ireland in 1872, and the same year was promoted attorney general. After holding the latter office for two years he became lord chief baron and held that position until 1916.

He was one of the ablest lawyers on the Irish bench and one of the wittiest, but had a great regard for the dignity of his court. He was eighty-nine years old when he died.

The reports of the inspector of factories and workshops of England disclose the fact that since the reduction of the 48-hour week in most British industries there has been a considerable decline in production.

Motor trucks moved 1,200,000,000 tons of freight in the United States last year. They were second only to the railroads as public carriers.

**COST OF AMERICA'S DISCOVERY.**

The cost of the discovery of America by Columbus was but a little over $7000, the old story to the effect that Queen Isabella parted with many of her finest jewels to the contrary. Two of the three ships that made that wondrous voyage, the Pinto and the Nina, were captained by two brothers, Martin and Vionte Pinzon, and they paid all the expenses attached to these ships, as well as furnishing the craft themselves. The account books of the Pinzons show that Columbus in his capacity of commander received 1500 pesetas a year, or about $300. The sailors received the magnificent sum of $2.50 a month, or about 8 cents a day.

The cannon for all three ships cost 14,000 pesetas, or about what it would cost to fire one of our modern big guns, while the whole outfit and the wages of the sailors and officers came to only 36,000 pesetas. The accounts cover the time between August, 1492, to March, 1493. The Queen's share is believed to have been less than $2000, and even at the valuation placed on jewels at that period, it would not have taken many or large ones to raise this sum.

## ONE-ACT PLAY

**CHRISTMAS ENTERTAINMENT TO BE GIVEN TONIGHT BY LITTLE CHILDREN**

A short one-act play, the prologue to which will be read by Miss Beatrice Guenther, will feature the Christmas entertainment which will be given this evening at the West Glendale Methodist church. Parts will be taken by the smaller children of the Sunday school.

Throughout the scene Christmas songs and carols will be sung by a concealed choir. Following this Miss Helen Ford will sing "O Little Town of Bethlehem."

Then the Christmas tree will be lighted and the primary children will gather around it to sing, "Away in a Manger." Santa is scheduled to appear here and take over the remainder of the program, dispersing gifts.

## SEARCH FOR GIRL

**GRIEF-STRICKEN MOTHER IS MAKING ALL EFFORTS TO FIND DAUGHTER**

Police authorities are asked to search for Florence Watkins, who disappeared from her home in Pittsburg, Pa., on August 19, 1920, and is believed to be somewhere in southern California. The search has been instigated by the girl's mother, Mrs. Jeanette Watkins, 5863 Ellsworth avenue, Pittsburg.

The missing girl is blue-eyed and fair-complexioned. She is now 17 years old, five feet four inches tall and weighs 130 pounds. Her occupation is that of stenographer. Not a word has been received from her by her grief-stricken mother since the young woman, a year and four months ago, suddenly and without making explanations, left home.

## FACING DEFICIT

**FINANCIAL PROGRAM TO BE ONE OF CONSIDERATIONS BEFORE LEGISLATURE**

John S. Chambers, in his biennial report as state treasurer of California, declared that when the legislature meets the first of the year there will be a heavy deficit for the lawmakers to face.

According to his report, the financial program for this state for the coming year will aggregate $80,000,000. The estimated surplus now on hand is $6,000,000 as of July next and with an estimated revenue for the year of approximately $60,000,000.

In the report Chambers stated that "the demands made on the state government were greater than the incoming revenue to the state, for the cost of the government in the past decade has increased 243 per cent, while the population only increased 44 per cent and the wealth 60 per cent."

To meet this oncoming deficit Chambers suggested in his report three saving remedies, "to increase the tax rates on corporations equitably; to create a tax on co-partnerships similar to the tax paid by incorporated companies; to tax personal incomes and general property."

Chemists from paper manufacturers are experimenting with certain deposits of peat in Ireland, the peat being used in place of wood pulp in the making of paper.

### CAN'T STEAL FROM DEAD MAN

SALEM, Mass. — Because he "could not steal from a dead man," John Walka of East Boston, who escaped from the Salem hospital while wearing the clothes that had belonged to George Caulfield, a patient who had died the night before, returned the borrowed clothing by parcel post.

### PARTRIDGE PLAYS 'POSSUM

WINSTED, Conn.—Picking up a partridge which fell when he shot it, Fred Zavatsky placed his bird in his pouch and continued to hunt. He was climbing a fence an hour afterward when the supposedly dead bird flew out of his pocket and disappeared before he could fire.

## PLAN PROGRAM

**WINTER WORK IS OUTLINED BY DYNAMOS CLASS; BASKETBALL TITLE BEING SOUGHT**

An extensive winter program of activities including social gatherings, basketball games and instructive lectures has been outlined by the Dynamos class of the Glendale Presbyterian church.

This class was organized by Fred W. Hoffman, a popular organizer of young people, three months ago. Since that time the enrollment has leaped from twenty-five to forty and plans for gathering in more members are now under consideration.

Basketball practice has been in progress for the last two weeks and the boys believe they have a team that stands a fair chance of winning the championship of the A. A. U. of southern California, of which organization they are a part. They have three teams of varying strength and number among their men—last year's high school stars and some college men. They expect to open the season with a game with the Glendale High school early in the year.

**To Take Charge of Service**

The boys are now planning to take charge of one of the Sunday services next month and have arranged to have Rev. C. Kelly, county Y. M. C. A. secretary, and other well-known speakers, give booster talks at that time. They are also arranging for a banquet for early in March in honor of the new officers who will take up their duties at that time. Next month they will entertain the young women of the church at a party which promises to surpass any yet attempted.

Work of the class is not all social, however, and the boys have not overlooked the poor in their enthusiasm. The day after New Year's they plan to stage an entertainment at the boys' orphan home in Eagle Rock. They will put on a program of music by their own orchestra and several duet numbers by William Farner and Joe Rhodes, the former a professional entertainer, although a member of the class. The class also prepared a basket for the poor this Christmas.

**Featured by Lectures**

Monthly business meetings are held at the homes of the members and are featured by lectures on electricity, journalism, and other scientific subjects in which the boys are interested, given by men of ability and experience along the lines of which they speak.

The class also meets every Sunday morning in the tower room of the church which they have fitted up with a large felt pennant and the class's colors. Pins have been distributed among all the members and will be given to all new members upon joining.

## SHOW PICTURES

**BEAUTIFUL SLIDES WILL BE DISPLAYED AS PART OF CHRISTMAS PROGRAM**

Something new in Christmas programs will be held at the Tropico Presbyterian church Thursday evening when a set of especially beautiful slides, pictorially telling of the birth of the Christ child, will be shown.

To make the story more impressive for the children, Mrs. Henry Wilcox will read the Christmas story as the pictures are thrown on the screen.

Preceding this program, which starts promptly at 8:30 p. m., the senior department under direction of Superintendent H. E. Fry and the primary department under direction of Mrs. S. E. Brown, will each stage a Christmas party in their own class rooms. There will be a tree in both rooms and gifts and candy distributed to all. A larger Christmas tree will decorate the church auditorium where the pictures will be shown.

### WARN AGAINST PEDDLERS

LONDON—Police warn people against buying furs at low prices from "land sailors," persons who pretend to have just landed from the north in ships, but were never out of London. Furs not stolen, but bought by peddlers from stock known as "throwouts." Furs are not cured. When taken to be dressed all the hair comes off. Rich man bought white bearskin rug the other day. Now all he has left is skin.

### GIVEN YEAR FOR MURDER

BRUSSELS, Belgium—One year's imprisonment for killing her husband was the sentence imposed on Mme. Vandorp. She and her husband had led a cat and dog life and she killed him by turning on the gas in his room after he had gone to sleep. She did the deed after her husband had thrown her downstairs.

## RATIFICATION

**PARTY ORGANIZATIONS WILL MEET TO ENDORSE CHOICE OF MAJOR LINEBERGER**

For the purpose of ratifying the nomination of Major Walter F. Lineberger of Long Beach, who was chosen at a recent conference in Pasadena to be the Republican candidate for congress in the ninth district, which includes the city of Glendale, party committeemen of the state and county organizations will hold a meeting next Tuesday.

The ratification meeting is called by Al Bartlett, chairman of the Republican county central committee. The meeting will be held in Los Angeles, it is stated.

Henry Barbour, vice-chairman, declares that Major Lineberger will have the united support of those who backed Charles Van de Water and elected him to congress. Major Lineberger states that he will make an extensive campaign.

Governor Stephens has not yet issued the election call and until he does the date of the special election cannot be set.

## FINE MUSIC

**ATTRACTIVE PROGRAM TO BE GIVEN, LUTHERAN CHURCH, ON SATURDAY NIGHT**

Beautiful music will feature the Christmas program at the Lutheran church, Maryland avenue and Harvard street, on Saturday evening at half past seven.

"Adoration," by Shawker, a musical composition in oratorio form, will be given by a chorus of twenty voices. "Hail, Happy Christmas Day," "Ring, Glad Bells," "Christmas Star," and "Rejoice and Sing" are the titles of some of the special selections.

The Bible school and the young people of the church will participate, and there will be a beautiful Christmas tree with a treat by the Bible school for all.

## ODD FELLOWS

**PLEASING PROGRAM IS GIVEN AT REGULAR MEETING OF LODGE ON THURSDAY**

At the regular meeting of the local branch of Odd Fellows last Thursday evening in the lodge room in the Central building, a very interesting program was enjoyed.

Mr. Stine, an instant artist of note from Los Angeles, "created while you waited" pictures both comic and emotional, notable among them "The Soldier's Return," and visions of landscape, including "The Lighthouse at Sunset," and a "Swanee River," which vividly suggested the sweet notes of the nightingale and the perfume of the magnolia blossoms. While sketching this picture, Mr. Stine was accompanied by a well-known Glendale high school boy, Edward Stockbridge, on a harmonica.

Beautiful selections were rendered by the Boy Scout orchestra of Troop 2 of Glendale. And last, but not least, in the estimation of the boys, there was an oyster supper with all the trimmings, and two more harmonica selections by Edward Stockbridge.

This was the initial one of many such affairs to be given, the object of which is to revive the spirit of Odd Fellowship in our home city.

Arrangements were in charge of Messrs. Roberts, Ingledue and Walcott.

## REPORTS LOSS

**M. J. MULCONERY TELLS POLICE SPARE TIRE RIM STOLEN FROM HIS MACHINE**

A new Goodyear spare tire rim and cover were stolen from the automobile of M. J. Mulconery, 111 East Sycamore street, Eagle Rock, while his car was parked at 111 North Brand, Glendale. Mr. Mulconery reported the theft to the Glendale police yesterday, but so far no trace of it has been found. Mr. Mulconery stated he was positive the tire rim was stolen and not lost.

## MANY GIFTS

**MRS. LE ROY BOSSERMAN HAS RECEIVED LARGE NUMBER TO GIVE TO POOR**

More gifts of both food and clothing have been given to the poor of Glendale and Los Angeles county this Christmas than ever before is the opinion of Mrs. LeRoy Bosserman, 614 South Central avenue, who has been engaged in philanthropic work in Glendale for a number of years.

Mrs. Bosserman was this year appointed chairman of philanthropic work of the Tuesday Afternoon club of Glendale and she has been busy for the last week in distributing among the sick children in the hospitals and poor throughout the county the many beautiful gifts donated by members and friends of the club.

Mrs. Bosserman turned over her home to serve as headquarters for the charitable work and reports that hundreds of gifts of food, warm clothing, bedding and toys were brought there. Mrs. Bosserman personally delivered the gifts, placing them in homes and institutions where they would bring most Christmas cheer.

**Thanks to Those Who Aided**

There is still a great need in Glendale, Los Angeles and Los Angeles county for donations of this kind, Mrs. Bosserman said, and asked that it be announced that anyone who wished to help might send their contributions to her home and be sure that they would be placed where most needed.

Mrs. Bosserman added that she, as chairman of this division of the Tuesday Afternoon club, was delighted and highly gratified with the generosity of the people of Glendale, literally hundreds of whom had helped to make this Christmas a happy one for many unfortunates.

### SLAUGHTER HOUSE RULES

SACRAMENTO — For the first time, slaughter houses in unincorporated districts of California came under the regulation of the state board of health today when sanitary requirements were adopted by the board in meeting here.

## APPRECIATION

**ADVERTISING AND HONESTY GO HAND IN HAND SO THIS LETTER SHOWS**

The publisher of The Evening News is in receipt of the following self-explanatory communication:

Editor Evening News:—I wish to write a note of appreciation for the efficiency of our Glendale News, and the honesty and fairness of our Glendale people.

One day's notice of lost money brought a telephone call from a lady, whose name I did not learn. Our conversation was interrupted, but in a short time she called again, but her find did not belong to me.

Soon Mrs. Arthur D. Smith of 315 North Kenwood telephoned. After hearing the description of my loss, she said, "This is surely yours. Can you come and get it this evening?"

Instances of this type verifies the humaneness of people and glorifies the holy land of justice.

Very sincerely,
MRS. ROSSETTA W. MERRICK.

### MIRACLE COW IS DISCOVERED

FARGO, N. D.—The "Miracle Cow" has been discovered. She is Salome's Carnation, a purebred Jersey, owned by William Page of Hamilton, N. D. She has shattered the high North Dakota record for butterfat production in the two-year-old heifer class. The previous record was 376.16 pounds of fat produced in one year. The new record hung up by Salome's Carnation is for 281 days, or less than nine months. In that time she has produced 401.05 pounds of fat. Salome's Carnation is not getting any more care or feed than any of the other cows of the herd.

### NAVY COMPASSES ARE LOOTED

WASHINGTON—Many repairs to navy compasses have been made necessary during the past year because the instruments have been broken open for the alcohol they contained, says the annual report of Rear Admiral J. A. Hoegewerff, superintendent of the naval observatory, made public today.

## CLUB MEETING

LIST OF THOSE PRESENT AT SOCIAL GATHERING HELD BY ORGANIZATION

As was briefly told in The Evening News last night, the S. O. S. club held its Christmas party at the home of Miss Rose Nelson, Tuesday evening. The music room, living room and dining room were artistically decorated with huge chrysanthemums, ferns, holly and mistletoe.

Music and splendid games were enjoyed until 10 o'clock, when the French doors of the sun parlor were opened, displaying a large Christmas tree, elaborately trimmed and lighted with Christmas candles. After everyone had admired the tree their attention was given to the distribution of gifts, and Old Santa had a gift for everybody as well as a red stocking filled with goodies.

When the excitement of the tree and gifts was over, ice-cream and cakes were served, followed by favors resembling the California poinsettia filled with fancy mints.

**Young Men Are Invited**

The S. O. S. club is a secret organization composed of the girls of Mrs. Alton A. Smith's Bible class, but they voted unanimously to invite the sterner sex to their holiday celebration, consequently the guests were: Messrs. Harold Nelson, Robert Stone, Earl Van Dyke, Fred Hand, Clark Jennings, Richard Ryon, Earl Jodon, Howard Bennett, Leslie Gebhardt, Leslie Bennett, Norman Nelson, Alfred Bowman and Thomas McNary.

The S. O. S. members present were Misses Rose Nelson, Edith Learned, Frances Musser, Fern Peters, Beatrice Bolen, Garnet Peters, Rose Jennings, Ramona Ryon, Murial Theobald, Alice Mercer, Eula Stevenson, Ruth Gibbs, Ruth Huff and Mr. and Mrs. Nelson and Mr. and Mrs. Smith.

Other members of the club who for various reasons could not attend are Misses Hettie Orth, Lurinne Cook, Geraldine Ward, Myrtle Stein, Corrine Heacock, Edna Davenport and Cora Overton.

Just before going home, Mrs. Smith presented the girls with a small token of love, with every good wish for a merry Christmas and a happy new year.

## NO NEW FIGURES

RECENT ESTIMATE ON COST OF COMMERCIAL STREET HAS NOT BEEN MADE

Contrary to statements being made, the positive announcement was made at the city hall today to the effect that no estimates of cost have been prepared on the proposed opening of Commercial street.

T. W. Watson, city manager, in answer to questions, said that a partial and incomplete estimate of probable costs to property owners in the proposed assessment district was prepared by city officials some months ago, but he made plain that the figures were only tentative and subject to revision.

As the tentative estimate was made some months ago and as property values have changed since then, there are no figures available today on which to base the probable assessment on fifty-foot lots in the proposed district, with any degree of positiveness.

It is said that various figures are being quoted as to costs, but, with the exception of the estimate, incomplete, made some months ago, no new figures have been compiled by municipal authorities, it is declared.

## DAMAGES CAR

MOTORCYCLE AND FORD CRASH AND REAR WHEEL OF CAR DAMAGED AS RESULT

Damage to the rear wheel of a Ford roadster belonging to B. D. Jackson of Glendale resulted from a collision which took place yesterday at the intersection of San Fernando road and Los Feliz roads.

The Jackson car was headed north while the motorcycle which struck it was coming west. Neither the driver of the motorcycle, whose name could not be obtained by the police, nor Mr. Jackson were injured.

## SOON TO MOVE

REV. CHARLES M. CALDERWOOD TO OCCUPY NEW HOME ON FIRST OF NEW YEAR

According to present plans, Rev. Charles M. Calderwood, recently installed as pastor of the Congregational church of Glendale, will, with his family, occupy the new home which he purchased at 377 Salem street, about the first of the new year.

While awaiting the opportunity to move into his home, Rev. Calderwood is the guest of Hartley Shaw.

Rev. Calderwood expresses himself as highly pleased with Glendale and the reception accorded him by the people of the city and he looks forward to a very successful pastorate.

## PROVEN ABILITY

MOTOR TRUCK MUST SHOW THAT IT IS CAPABLE OF ALL KINDS OF SERVICE

Interest in a motor truck centers in its proven ability to transport goods economically. On this basis the Oldsmobile Economy truck is entitled to premier consideration.

It is a remarkable saver of time. Speedy, powerful, driven by Torbensen internal gear rear axle and mounted on pneumatic tires, it makes capacity-load deliveries in record time and in the best possible condition.

This positive ability to render dependably satisfactory service and the very low consumption of gasoline and oil are the chief reasons for the name, "Oldsmobile Economy truck."

**Life-long, Efficient Service**

But equally important, the cost of maintaining this truck is minimized; a long life of efficient service is a fact assured in advance.

Why are these things true of the Oldsmobile Economy truck? Because every unit—motor, frame, axles, tires, in fact, every part from radiator to tail light—has proven worth, is built to uphold the reputation for leadership that the name Oldsmobile has enjoyed for 21 years. Because the truck as a whole is the most desirable that sound engineering and ultra-thorough factory methods can produce.

The adaptability and range of usefulness of the Oldsmobile Economy truck makes it the logical truck in a wide variety of fields. Those who have considered greater carrying capacity necessary in their work will find this feature far more than offset by the moderate first cost, speed, low operating cost, and extremely low maintenance cost of this Oldsmobile.

O. F. Meyer, 721 East Broadway, is the local agent for this truck.

**WORLD TO SPEAK ENGLISH.**

English is favored in Germany as the international language and it is admitted it will be almost a necessity for use in the world communication when wireless telegraphy and wireless telephony have been made thoroughly practical.

Besides difficulty of transmission of long-distance messages, most of which has now been overcome by use of high-frequency stations, Graf Arco, Germany's wireless authority, in an interview says that most of the trouble in complete interchange of ideas in the future may be found in the present use of so many languages.

"While I am an enthusiastic Esperantist," said Arco, "I believe a popular vote would elect the English tongue to be used generally in the transaction of business and transmission of news, because it is now spoken by the largest group of people on the globe.

"Naturally, there are many nations that would raise objection to the use of English as the world language on account of the belief that the study of it would kill their own nationality."

With the exception of General Pershing, Hanford McNider, of Iowa, has more decorations than any other American who served in the United States army.

A Franklin penny, the first copper coin to be authorized by congress, has been found on the homestead of one of the settlers in Dover, Mass.

It means working all day to get up a Christmas dinner at home. That's why we are going to the White Inn instead. We have already made reservations at $1.50 a plate. Phone Glendale 650-W.

GIVES WIFE GLYCERINE MIXTURE

A retired merchant whose wife suffered for years from catarrh of the stomach finally gave her simple glycerine, buckthorn bark, etc., as mixed in Adler-i-ka. ONE bottle produced great results. Because Adler-i-ka acts on BOTH upper and lower bowel it removes all foul matter which poisoned stomach. Relieves ANY CASE sour stomach or gas on stomach. Often CURES constipation. Prevents appendicitis. — Roberts & Echols, druggists.

Los Angeles, Calif.

Mr. Emil Spitzer,
1918 La Salle Ave.,
Los Angeles, Calif.

Dear Mr. Spitzer:

Want to congratulate you on the great number of sales made on Burnham phonographs in Glendale; and am also glad to note that you intend to open a permanent store there and in Burbank. I am sure you make no mistake in selecting Glendale, as in my opinion it is one of the coming towns in this section of the country.

I want to call your attention to the "100 per cent GUARANTEE" on these Burnham phonographs, as you will notice on the back of catalog. This guarantee is not only made by the Burnham Phonograph Mfg. Co., but is backed up in every sense by Kohler & Chase, without time limit, as stated in the guarantee. Your customers should each any everyone of them be advised of this, and should anything go wrong we have a factory right here in Los Angeles to take care of it, and not a factory on the Atlantic Coast.

All of us in Southern California should work for Southern California's interest; buy Southern California's products; and in that way give employment to Southern California's workmen.

You need not hesitate a minute in putting this machine in comparison with any other make, without exception, on the market. We have had this tested out so often and have so seldom lost a sale when a direct test has been made that we do not hesitate to have all of our dealers do the same.

Very truly yours,

FWS:JK KOHLER & CHASE.
